**Before you start your JustGiving crowdfunding campaign take these pointers into consideration:**

1. 80% of funds are received in the first and last 3 days, so make sure to start and finish your campaign strategically.
2. Make your campaign 30 days long for the most effective fundraising experience.
3. As there is a \$300 admin cost associated with the JustGiving platform, we suggest you set your target fundraising goal with that in mind (i.e. 1 regular well costs \$1000 to build+ \$300 JustGiving fee= Total target: \$1300).
